Eagle Scout Project Registration Photograph

ATTENTION: Eagle Scout Candidates, Unit Leaders, Board of Review Members and Parents

1) Please send the highest resolution version possible. Low resolution images are too small to work with for PowerPoint.

2) A single photo, sharp and bright and unadorned. No collages.

3) Landscape Orientation-remember the screen is wider than it is tall.

4) Color Photography-please do not submit B&W images

5) Photo in FOCUS-please make sure that your photographer is capable of producing quality images. No inappropriate poses, obscene hand gestures, etc…

6) A Photo that Hi-Lights the COMPLETED Project. Photos of the project as is develops is great for the BofR but for Project Registration please have a photo of the Eagle Scout Candidate (and/or the work crew) and the completed project. In uniform with project is best!
